PETITION UNDER 37 CFR 1.182 FOR ORDER
REQUIRING EXAMINER TO GIVE EXPEDITED
ATTENTION TO EXAMINATION OF THIS APPLICATION

This petition under 37 CFR 1.182 is made on behalf of the assignee, Intellisync Corporation, for an order requiring the examiner to give expedited attention to examination of this reissue application. As the attached declaration substantiates, the patent examiner and supervisory examiner assigned to this reissue application have not given the application the attention that the PTO's rules require. The reissue application has been on file for 3-1/2 years, and it has been 2-1/2 years since a stay of prosecution was lifted. The examiner indicated approximately 2 years ago that she was within a few weeks of issuing an office action.

Submitted in support of this petition is a declaration of G. Roger Lee, the attorney of record, and a person knowledgeable with the actual facts.

A check in the amount of \$400 is enclosed in payment of the fee required under 37 CFR 1.17(f) for this petition.

DECLARATION UNDER 37 CFR 1.182 AS TO
LACK OF PROGRESS BY PATENT AND
TRADEMARK OFFICE IN EXAMINING THIS APPLICATION

I, G. Roger Lee, having firsthand knowledge of the facts below, declare the following with respect to the lack of progress by the Patent & Trademark Office in examining this application:

1. I am an attorney at Fish & Richardson P.C. ("F&R"), with 27 years experience in prosecution of matters before the USPTO.
2. This reissue application was filed on August 24, 2001.
3. On October 22, 2002, I received a communication from the PTO indicating that action in this application was stayed (Exhibit A).
4. On September 9, 2003, I filed a request asking that the stay be lifted (Exhibit B).
5. On October 27, 2003, I received a communication from the PTO indicating that the stay of action was lifted (Exhibit C).
6. On February 23, 2004, I called Examiner Von Buhr, to whom the application was assigned, asking about its status. The examiner indicated that she was going through the prior art that had been submitted with an IDS.

CERTIFICATE OF MAILING BY FIRST CLASS MAIL

I hereby certify under 37 CFR §1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

7. On March 1, 2004, I spoke again with Examiner Von Buhr, and she indicated that she was still going through the prior art, but that an action would likely be mailed out within 2-3 weeks.

8. On April 14, 2004, I again called Examiner Von Buhr, and she reported that she had not yet gotten to the application.

9. On January 3, 5, 13, and 26, 2005, my assistant, Maureen Christiano, left voice mails for Examiner Maria Von Buhr inquiring as to the status of the application. Examiner Von Buhr did not return any of the telephone calls.

10. On January 27 and February 3, 2005, I left voice mails for Examiner Von Buhr's supervisor, Examiner Leo Picard, asking about the status of the application. Mr. Picard did not return either telephone call.

11. On April 4, 2005, and again on June 8, 2005, my assistant checked PAIR to see if there had been any action or other activity in the application. She found none.

12. My assistant has checked PAIR each month since June 2005, and found that no action or other activity in the application.
